Prof. Mateus Cecílio Gerolamo

ASSESSMENT INSTRUMENT - POSITIVE ORGANIZATIONS ¹

(Adapted from Robert E. Quinn, 2015)

On a scale of 1 to 10, 1 (one) being in agreement with the sentence on the left and 10 (ten) agreeing with the sentence on the right, I can say according to my perception and the place I work...

							/ 0				
	We don't have					We have					
questio	a shared sense of purpose.					a shared sense of purpose.					
n	1	2	3	4	5	6	7	8	9	10	
1											
							20				
questio	We just say what is 'politically correct'.					We usually say what we really feel.					
n	1	2	3	4	5	6	7	8	9	10	
2											
	We are									We are	
questio	reactive.					proactive.					
n	1	2	3	4	5	6	7	. 8	9	10	
3											
	We focus					We focus on 'winning' for					
questio	personal	needs.						he organiz	ation as a	whole.	
n	1	2	3	4	5	6	7	8	9	10	
4											
		A									
	We are afraid					We have the autonomy and responsibility					
questio	-	w things.								w things.	
n	1	2	3	4	5	6	7	8	9	10	
5		10									
						1					
	We do what we are					We love					
questio	responsible for doing.					what we do.					
n G	1	2	3	4	5	6	7	8	9	10	
6											

¹ This instrument aims to carry out a diagnosis of the predominant mental map in an organization. It can be answered by an individual, by several individuals from an organization, or answered in a group promoting the discussion of each dimension of analysis. It builds on the work of Robert E. Quinn (Quinn, R.E. *The Positive Organization: Breaking Free from Conventional Cultures, Constraints, and Beliefs, Berrett-Koehler Publisher, Inc. 2015*). In case you want to know more about the assessment tool and how to use it fully in your organization, please contact <<u>gerolamo@sc.usp.br</u>>.

SUPPLEMENTARY MATERIAL Data Science Analytics 05/17/2022

Counting of points by Dimension of Analysis:

Dimension A	Question 01	Question 6	Question 11	Sum (A)	Average (A)
Sense of Purpose					
Dimension B	Question 2	Question 7	Question 12	Sum (B)	Average (B)
Authentic Dialogues				70.	
Dimension C	Question 3	Question 8	Question 13	Sum (C)	Average (C)
Visualization of Possibilities					
Dimension D	Question 4	Question 9	Question 14	Sum (D)	Average (D)
Common Good					
Dimension E	Question 5	Question 10	Question 15	Sum (E)	Average (E)
Trust in the Process					
Emerging					
		(D)	. (2)		
Total Average = Average	e (A) + Average	(B) + Average Average (E)	(C) + Average (<u>(D) + =</u>	

Fill in the chart below with the results of the averages obtained for each dimension of the previous analysis.

Radar de Positividade da Minha Organização

SUPPLEMENTARY MATERIAL

Data Science Analytics 05/17/2022

Based on the radar above, what would be th	he main point to be attacked? State your challenge below:
	9.
After answering the previous guestions and	d compiling the results on the radar chart, reflect on the
esults and answer the following questions:	
What new features would I like my organiza	ation to have a year from now?
·····a································	allon to have a year nomination
What ideas do Lalrandy have to make my o	rganization mara positiva?
What ideas do I already have to make my or	rganization more positive?
